Pittsburgh Area

## SKILLS

---

**Programs:** Microsoft Office (especially Word and Excel), Photoshop, Adobe Illustrator, Sketch, InVision, Balsamiq

**Languages:** Javascript, HTML/CSS

**Other:** Information gathering, collating and synthesizing research, taking direction, organization, handling details, delivering feedback, identifying and rectifying problems, managing conflict, punctuality, social media, public speaking, copywriting and editing

## ABOUT ME

---

Detail fanatic, lifelong learner, and research enthusiast. I love finding out new things (and telling everyone I know). I also love teaching, writing, science, and art. One of the best feelings in the world is finally finding an answer twenty articles into a link chain. It is the closest I will ever get to being Sherlock Holmes, unless I finally go in for a deerstalker.

## EXPERIENCE

---

**Test Analyst** – Q Analysts onsite at Facebook 2017-2018

- Managed a team of 5-6 individuals in triage for the Oculus Go dogfooding effort
- Researched known issues, new issues, and general software specifications in order to prioritize and route test reports
- Moderated group of ~500 people that oversaw feedback and tech support for company dogfooders
- Created and led initial framework for large-scale hardware dogfooding at Oculus

**Test Prep Tutor** – Compass Education Group 2017-2018

- Produced and presented lessons to aid students preparing for the verbal portions of the ACT and SAT
- Monitored progress and adjusted lessons accordingly

**Corporate and Community Intern** – Make-A-Wish Utah 2016

- Collected information on local corporations for fundraising purposes
- Cultivate relationship with previous donors

**Undergraduate Research Assistant** – Dr. Gary Burlingame 2014

- Gathered research from various sources to support a meta-analysis
- Located electronic and hard copies of research as part of a group of 8 individuals

**Research Assistant** - Brigham Young University 2014-2015

- Performed phone survey of colleges across the US
- Coded and analyzed responses

**Social Media Assistant** – NavigateHCR 2015-2016

- Wrote and published weekly social media posts across 3 company accounts
- Completed other tasks as needed, including research and analysis

## EDUCATION

---

**Brigham Young University** – Psychology B.S. – 2016

**Bloc** – Designer Track - 2017
